Petitions to revive under 37 CFR 1.137(a) or (b), or requests to withdraw the holding of abandonment under 37 CFR 1.181, should be promptly filed to minimize any negative effects on patent term.

Item 7 - Other reasons for holding abandonment: The Examiner had called the Attorney's Office and spoke with the Attorney of record regarding the status of the Instant Application and the Attorney had promised to call the Examiner back with a timely response. However, this timely response has not yet been received. Since there has been no recent activity on this case for over six months after the final office action on the merits was mailed, the Examiner has decided to abandon the Instant Application for failure to timely respond to the last office action under 37 CFR 1.134 and 1.135.
